

VISCEA 2017 February Conferences Series

The 3rd International Conference “Plant Nutrition, Growth & Environment Interactions”

Conference Dates: February 20-21, 2017

Abstract submission deadline: December 24, 2016

Early bird registration deadline: December 23, 2016

Conference page: <http://viscea.org/index.php/plant-nutrition>

Venue: Bundesamtsgebäude Radetzkystraße, Hintere Zollamtsstraße 1, 1031 Vienna, Austria

The Conference will cover the following topics:

- Signaling & Hormones in Plant Growth and Development
- Environmental Regulation of Plant Growth & Development
- Physiology & Mechanism of Plant Nutrition
- Plant Nutrient: Acquisition, Homeostasis
- Symbiotic Interactions
- Fertilizers and Soil in Plant Nutrition
- Plant - Environment Interactions

Amongst the invited speakers are internationally known names such as*:

Karl Mühling (Germany), Malcolm Hawkesford (UK), Gregory Vert (France), Edgar Peiter (Germany), Stanislav Kopriva (Germany), Tim George (UK), Sheng Luan S (USA), Patrick Bienert (Germany), Martin Parniske (Germany), Karin Groten (Germany), Caroline Gutjahr (Germany), Craig Drury (Canada), Hans-Werner Olf (Germany), Gabriel Krouk (USA), Yrjo Helariutta (Finland), Sandrine Ruffel (USA), Michael Frei (Germany), Katrin Kahlen (Germany), Philippe Vandenkoornhuys (France) and Matsuo Uemura (Japan).

**The list of invited speakers has yet to be confirmed.*

International Conference “Plant Molecular Physiology”

Conference Dates: February 23-24, 2017

Abstract submission deadline: December 24, 2016

Early bird registration deadline: December 23, 2016

Conference page: <http://viscea.org/index.php/mol-plant-physiology>

Venue: Bundesamtsgebäude Radetzkystraße, Hintere Zollamtsstraße 1, 1031 Vienna, Austria

The Conference will cover the following topics:

- Cell Wall & Cell Membrane
- Membrane Transport & Membrane Trafficking
- Molecular Photosynthesis
- Plant Hormones & Signaling
- Plant Stress Physiology
- Physiology of Vernalization
- Applied Plant Molecular Physiology

Amongst the invited speakers are internationally known names such as*:

Andreas Bachmair (Austria), Donald R. Ort (USA), Markus Pauly (Germany), Thorsten Hamann (Norway), Ekkehard Neuhaus (Germany), Nathalie Leborgne-Castel (France), Verena Kriechbaumer (UK), Natan Nelson (Israel), Cornelia Spetea (Sweden), Chuanyou Li (China), Gregory Vert (France), Klaus Harter (Germany), Claudia Jonak (Austria), Ashild Ergon (Norway), Christophe Ringli (Switzerland) and others.

**The list of invited speakers has yet to be confirmed.*

Approximately 350 participants are expected to attend each conference including almost 40 lectures delivered by worldwide known invited speakers and young talented speakers selected from submitted abstracts. The conference webpage offers additional information on the city of Vienna, conference venue, conference's programme, important deadlines, registration, terms of payment, abstract submission, travel arrangements and accommodation.

Vienna International Conference Series 2017 also offers a great opportunity to get a FREE REGISTRATION, if you attract 5 more colleagues to attend the meeting, independent on the institution and location.

Finally, if you are not able to attend the Conference, you can still submit your abstract and we are happy to publish it in the abstract book for just 60 €!
