Dear members,

After we missed our regular meeting in 2020, I don't want to miss another year without a meeting of the section. Exciting research is being done in our group and it will be important for our field to know about this. Unfortunately, under the current circumstances this means that we have to do an online-meeting, which the Ruhr-University Bochum (Prof. Dominik Begerow) and the DFG-SPP1991 is hosting.

I, hereby, invite everyone to submit an abstract (200 words excluding names, addresses and title) or simply interest for participation for our section meeting on

October, 5th, 2021, 9.00-17.00

Deadline for abstract submission is September 19th, 2021 (23.59 CET). Please submit abstracts to dirk.albach@uol.de

Abstract submission is free to everyone. Preference will be for junior researchers and members of the section.

Zoom-connection and homepage with the final program will be mailed to members and participants two weeks in advance.

The program will be:

- 9.00 Start of the meeting and welcome address
- 9.15 First session (Talks will be 12 minutes plus 3 minutes of discussion)
- 10.30 Coffee break with opportunity to meet in break-out rooms
- 10.45 Second session (Talks will be 12 minutes plus 3 minutes of discussion)
- 12.00 Meeting of the section
 - 1) Begrüßung und Eröffnung der Versammlung
 - 2) Wahl eines Versammlungsleiters und eines Protokollführers
 - 3) Rechenschaftsbericht des Vorstandes
