Fascination of Plants Day @PlantDay18May · Jan 10

🌱 2024 is an official Fascination of Plants Day year! 🌿 Time to start planning your event - see our crib sheet below to help you along the way 🙌 events can be run from March through to November with the highpoint around #PlantDay on 18th May 🌸

Fascination of Plants Day 2024 - planning events

- 🌟 *Interactive is best! Local events e.g. plant walks, visits to botanical gardens & arboretum, demonstration workshops e.g. how to grow & cultivate plants from seeds, talks, plant fairs, plant quiz, book presentations etc. Open to everyone!*
- 🌱 *Topics to inspire: basic plant science, agriculture, horticulture & gardening, forestry, plant breeding, plant protection, food & nutrition, environmental conservation, climate change mitigation, smart bioproducts, biodiversity, sustainability, renewable resources, plant science education & art.*
- 👥 *Event Formats: tailor to local interests, volunteer engagement - build a local team, planning & logistics - permits, venue, equipment*
- 📞 *Contact your National Coordinator & upload events to the FoPD website: <https://plantday18may.org/>*
